

## tt About Us

We believe in providing children with a warm engaging environment to help them define their unique individuality. We also believe in a partnership between therapist, parent, and child, with all of the focus concentrated on providing the child the support that he/she needs to maximize his/her abilities.

We believe in providing families with a dynamic, interactive, comprehensive treatment program.

## tt Our Founder

Transitions Therapy was founded by Bianca D. Rodriguez, Certified Developmental Therapist. Currently, she specializes in working with children with autism spectrum disorders. She has extensive experience working with people with cerebral palsy, microcephaly, mental retardation, seizures, epilepsy, down syndrome, obsessive compulsive disorder, asperger's syndrome, attention deficit disorder, regulatory disorders, developmental and speech delays.

Additionally, Bianca constantly attends various trainings to expand her knowledge on new developing theories. She is a highly motivated, comprehensive, energetic therapist who is extremely dedicated to serving those in need.
